Christy/Diane:

Just checking in to see the status of the AST samples analyses below. Trying to schedule things out. Any information you can give me on completion of analyses and final report would be great.

AST Samples Houston Lab (Code Resolution Analyses)

OT9_OT10 (aka NTank9_10 Comp): D032

OT4_OT5 (aka OT4-OT5 Comp): D032

STank8: D030, D032

STank3 (aka STank1_3_6 Comp): D002(ph), D007, D020, D030, D032, D033

OT8 (aka NTank8): D032

STank2: D032

Again, thanks for all your help.
